

Veterans of Foreign Wars to the United States

Auxiliary Department of Idaho

Promotion #2 Buddy Poppy and National Home Ambassador

Hello Ladies and Gentleman,

We are well into our new year and I am very excited for the rest of the year. You might be sick of us reminding you but yes, 2025 is the 100 year anniversary of the National Home and if you aren't already a life member of the home, I'd urge you to become one this year! The Centennial membership comes with some cool benefits and you can upgrade your membership to get these benefits if you are already a member.

Go to vfwnationalhome.org/membership to learn more. Consider donating to the national home either as an individual or as an auxiliary to help the families at the home. We are coming up on the major holidays and money is the best way to help them out. You can donate through Malta!

If you need any Body Poppys, you can order them through your post or request them through VFW Department Headquarters. I don't have much to share for this promotion but I hope you consider donating to the national home. The holidays are a magical time and I hope we can make them even more magical for our families at the home.

Thanks Everyone!
